FROM "OUR" BOB

"Outlaw strikes, suspend the forty hour week, ban overtime payments and prohibit double time payments, suspend the closed shop on war contracts, permit any American to work unmolested who desires to aid in the war program regardless of whether or not he is affiliated with any labor organization, and place a six percent maximum ceiling over all war profits, all for the duration of the war," said United States Senator Robert R. Reynolds, Chairman of the Senate Military Affairs Committee.

What's The Answer?

The Atlanta Journal carries the following philosophical query which has baffled students of human nature from generation to generation: "Why is it that the average person thinks he's about the unluckiest person in the world, and yet is confident he can beat a slot machine, although he knows the odds are stacked against him some four to one?" Ehc answers, why?

Landrum Man Held On Liquor Charge

A man listed as Luther Bruce of Landrum was in county jail today under a federal commitment after, officers said, he was arrested when an automobile he was driving was found to contain 10 gallons of untaxpaid whiskey.—Spartanburg Herald.
