## EXHIBITION

Tryon residents and visitors to Tryon have a double treat in store for them on Friday, April 18th, when Mrs. George Farrand Taylor opens her garden to the public from 4 to 6 p. m. Visitors will have the additional privilege of viewing the exhibition of rare Chinese art, including rugs, hangings, and ancient and modern costumes, which will be on display in Mrs. Taylor's house. These priceless pieces form part of the collection acquired by Mr. and Mrs. Eugene Turner, of Tryon, who lived for many years in the Far East.

Mrs. Taylor's garden is a small one but its location on a hillside and its charming terraces give it a distinctive place in the list of Tryon gardens. In the event of rain, the garden can be viewed from the house. It is requested that visitors leave their cars at the foot of Laurel Avenue and transportation will be arranged for the short drive to the house. The 40 cents admission fee will include coffee and refreshments. Proceeds go to United China Relief.

Laval has gained control of the Vichy French government and France is expected to cooperate with Germany.

Tryon Merchants Assn. will close their stores on Wednesday from 1 to 5 p. m. for the Horse Show.

The Country Day School which has had its spring vacation, will close on Wednesday for the Horse Show.

Tryon school has spring holiday Wednesday, Thursday and Friday.
