POLK COUNTY MUST BUY \$10,900.00 WORTH OF BONDS IN MAY

"The residents of Polk County must buy \$10,900.00 worth of Bonds and Stamps in May; every month from July on if America is going to win this war.

"These are not mere estimates, not guesses, no 'wouldn't-it-benice-to-do' figures, but the absolute minimum required for Victory.

"The nation's quota is \$1,000,-000,000.00 a month. We've got to do our part."

This announcement was made today by Julian B. Hester, chairman of the War Savings Committee of Polk County, immediately after being notifed by Secretary of the Treasury Morgenthau that the establishment of quotas for the nation, "placed an added responsibility on every American citizen."

TRYON HORSE SHOW GIVES \$782.20 TO THE AMERICAN RED CROSS

Herewith is submitted the financial statement of the Seventeenth Annual Tryon Horse Show, showing a profit of \$688.99. Check for this amount has been given to the Tryon Chapter of the American. Red Cross. To this should be added the \$94.00 earned by the luncheon booth, making a total of over \$782.20 going to the local Red Cross chapter as a result of the show.

The officers and directors of the Tryon Riding & Hunt club are proud of this contribution to a good cause. They realise, how-ever, that the credit should go to the people of Tryon, who by word and deed worked so hard to make the show the success that it was; it was a community effort worthy of Tryon's best traditions. Credit too should be given to the merchants of Tryon, Greenville, Asheville, and Spartanburg who realized that the Tryon Show is an asset to the entire region, and advertised in the program. But perhaps the greatest measure of credit belongs to the exhibitors, who after all made the show. From the Carolinas, Georgia, Florida, Virginia, West Virginia, and Tennessee, at great expense to them-selves, they send horses and hounds hundreds of miles to compete for a few ribbons and a few Defense Bonds. It was sportsmanship of the finest kind, and a notable tribute to the Tryon Show.
