Polk County People Asked to Buy Bonds To Help Win the War

Today marks the first day of a week's campaign to get every American to pledge to invest a specific sum in WAR Savings Bonds (or stamps) each week, month or at times most convenient to the investor. During the week it is hoped that the Boy Scouts and other volunteer canvassers will contact every person in Polk County and that their efforts will result in our County meeting its quota of \$10,900.00 set by the WAR Savings Staff of the Treasury Department.

It is strictly up to each American to do his or her bit by whole-hearted cooperation with our government in making this campaign a success. Should we not meet the quota, Axis propagandists will have a topic for their broadcasts to other nations. It is going to be difficult to contact every citizen during the time allocated for this campaign. Patriotic citizens will not wait to be contacted by a canvasser. Instead they will make it their business to help by obtaining and signing a pledge card as soon as possible.

Our government is putting us on trial this week. Unless we rise to occasion in true American spirit, some form of compulsory saving is likely to be enforced. That would be as foreign to American ideals as for us to fail in going over the top in this campaign. Just the fact of our quickly meeting and exceeding our quota will have tremendous effect on the peoples of the world and might easily swing
