Soldiers Entertained Here

Tryon entertained over 60 soldiers from Camp Croft on Sunday. The men were carried to the various homes for Sunday dinner, then taken for hikes or rides to the mountains, and all of them met later at the Parish House for games, assembly singing and a devotional service conducted by Dr. Chas. G. Sewall. The assembly singing was directed by Louis F. Bunte who also sang several solos. Mrs. Bunte and Mrs. Edwin Beach were the accompanists. A supper prepared by the various churches of the community was served under the direction of Mrs. F. P. Bacon. Mrs. Nelson Jackson, Jr. had charge of the entertainment. Over 100 plates were served to the soldiers and some of the hosts and hostesses. Two large buses came to the Parish House at 8 o'clock to take the men back to Camp Croft. They left singing and waving goodbye. The spirit of fellowship permeated the entire day. Most of the visitors were from the East as indicated by the following list of those registered at the Parish House.
