SOLDIERS ENTERTAINED

Over 50 soldiers from Camp Croft enjoyed the entertainment and supper at the Parish House given by the churches of the community on Sunday evening. Mrs. D. B. Fletcher, senior hostess of the camp, came with the men. For Sunday dinner the men were sent to various homes in the community and during the afternoon enjoyed hikes, motor-ing, swimming or horseback riding as each soldier desired. In the late afternoon most of them came to the Parish House where they were met by college and high school girls and the matrons committee. Some played ping pong, visited, sang songs and listened to an informal musical program featured by Peter Buonconsiglio, former solo violinist of Carnegie Hall Symphony orchestra, and Victor de la Fosse, professional tenor who had just completed a 16 weeks concert tour when he was drafted. M. de la Fosse is a native of Montreal, Canada. Miss Margaret Sprague, violin student of Converse college, also assisted with the music. Just before supper Rev. C. L. McGavern led the group in the singing of America and the Rev. D. M. McGeachy offered a prayer.

The men who registered at the Parish House to have a copy of The Bulletin sent to them are as follows:

Sol Silver, Roselle, N. J.; Peter Buroff, Elizabeth, N. J.; Walter Bobzin, Elizabeth, N. J.; Max Fisher, N. Y. C.; William Fromhertz, Roselle, N. J.; Sanford W. Todd, Milford, Conn.; Saul Siwek, N. Y. C.; Charles Palmer, Brook-
