Anyone willing to give some time in mornings to teaching Sunday school work may contact Mrs. C. A. Martin the principal. Please offer your services as early as possible. STORES CLOSE JULY 4TH

The stores of Tryon will close on Saturday, July 4th, according to a statement by Secretary N. L. Wilson, of the Tryon Merchants Association, who made a check up on the wishes of the merchants. This will give Saturday and Sunday to many workers who never get a big weekend. The stores of Spartanburg will also close. Other towns have not been heard from. A celebration will be held at Spartanburg's Duncan park. Governor J. M. Broughton has issued a proclamation calling on the people of the state to observe the Fourth of July as VICTORY DAY and urges full cooperation with the Civilian Defense organizations in all the 100 counties of the State, and to observe the occasion in manner most fitting and effective.
