

## Thirty-Seven 4-H Members In Camp

A hard working, deserving group of 4-H club boys and girls from Polk County left Monday morning for Swannanoa 4-H club camp for a week vacation, recreation, education, and inspiration.

The group was conducted by Miss Gladys Hamrick, home demonstration agent, and S. H. Dobson, assistant county agent. Miss Virginia Egerton of Mill Spring who was a former outstanding 4-H club member and a recent graduate of Woman's College at Greensboro is also assisting the agents as a leader while at camp.

While at camp many activities which will make the boys and girls better citizens will be carried on. There will be demonstrations in preparing and preserving food. First aid work will be given to all at camp. Field trips to the experiment station and hikes into the mountains will be conducted. At least one evening will be spent at the big Asheville Recreation Park. Various programs on citizenship and patriotism will be given at the vesper service each evening. This fine group of young Americans should come back to Polk County refreshed, inspired and trained to make better Americans and do their part to win the war.
