HEROES DAY HERE

Friday was Heroes Day. Tryon business people celebrated the event by the purchase of \$9,625 worth of War Bonds. The amount of War Stamps sold was not available. The same Camp Croft soldiers who participated in the Asheville parade stopped by Tryon Friday afternoon and were entertained by a local committee which greeted them with refreshments. The soldiers who were in four motor vehicles gave a demonstration of their equipment and toow several members of the committee for a ride in a jeep. Chairman Julian Hester reports that Polk County has sold \$22,000 worth of bonds and needs to sell \$6,000 more to meet the quota of \$28,700 asked of us.
