THE AMERICAN WAY IMPRESSIVE

A large crowd turned out for the joint meeting of the Tryon Kiwanis and Rotary clubs on Friday at 1 p. m., at Sunnydale when War Bond chairman Julian B. Hester put on an interesting program. Mr. Hester recognized a number of citizens who have contributed time and money to the success of the War Bond campaign. He said that every person who had bought as much as a Savings Stamp was doing something to help win the war. Following the delicious meal motion pictures were shown. Chas C. West gave a short reel of the Polk County selectees being sent away from the local draft board office where they were served refreshments by girls and presented gifts of cross and chain and prayer book; also in the picture were the Boy Scouts who conducted a campaign to secure pledges for the purchase of War Bonds and Stamps. F. I. Barber of Forest City showed an impressive film with sound effects representing the need of working and fighting to preserve the American Way of Life. Mr. Barber stated that the picture was available to schools or other organizations free if they make application to the Coca-Cola Bottling Co., at Forest City.

Visiting Rotary and Kiwanis guests were present from Dallas, Texas., Columbia, S. C., Miami, Fla., Winston - Salem, Spartanburg, Panama City and Chunking, China.
