SIDNEY OWENS, 28, SLAIN NEAR TRYON EARLY SUNDAY MORNING

Sidney Owens, 28, Greenville
textile employee, was shot and
killed early Sunday morning. A. J.
Stephens, about 50, operator of a
filling station and grocery store
near the Spartanburg-Greenville
county line, was detained by
Sheriff Sam M. Henry of Spar-
tanburg county. Sheriff Henry
said that Stephens was brought
to the county jail in Spartanburg
and later turned over to two
Greenville county officers. So far
as could be learned last night, no
formal charge had been preferred.

Officers said that Owens was
shot one time with a pistol, the
bullet striking him in the chest.
It was also stated that an argu-
ment over a bottle of "Seven Up"
preceded the shooting.

The body was removed to the
Petty Funeral Home in Landrum.
Coroner W. H. Garrett of Green-
ville county said that an inquest
would be held today or tomorrow.
A coroner's jury viewed the body
today, in order that funeral ser-
vices may be held.

Funeral services for Owens will
be conducted at the Hickory
Grove Baptist church in Polk
county this afternoon at 5 o'clock.
The Rev. A. T. Howard and the
Rev. A. P. Jones will officiate.
Pallbearers will be Herman No-
dine, Ernest Owens, LeRoy Mc-
Swain, Hollis McSwain and G. W.
Powell.

Owens, a former resident of
Landrum, resided at 125 Judson
road, Greenville, and was employ-
