Rev. Wilbur L. Caswell To Lecture At School of Religion

The Rev. Wilbur L. Caswell will lecture this year at the one week session of the Inter-Church School of Religion. Mr. Caswell is well known in Tryon where he has spoken before various civic clubs on questions of the day and also before the Woman's Auxiliary of the Episcopal church in a District Meeting at Edneyville. It was his speech which fired the work for the soldiers from Polk county which the Home Friendly club has been doing. Mr. Caswell is a musician of no mean attainments and his lectures accompanied by illustrative playing to make the points of his lectures plain has been a source of entertainment to many. Mr. Caswell was once assistant rector of St. Thomas's church, New York City; rector of St. Thomas' church, Hamaroneck and now is Rector of St. Paul's church, Yonkers. He was in demand as summer preacher at such places as Onteora, New York and other summer colonies. Those who read The Churchman know his column in that paper signed by the pseudonym "Percy Sylvester Malone" in which he pokes sly fun at ministers and oddities of church people and by his humor corrects many little outlooks which might become disastrously prevalent in the church.

Mr. Caswell achieved some little fame last summer when a copy of The Tryon Daily Bulletin reached a camp at Brewster, New York, revealing that he had on his 59th birthday walked from his home in Yonkers up to the Y. M.
