MILLION DOLLAR BANK

With all the money spent in the purchase of war bonds to keep Polk County over the top, Polk citizens continue to save and deposit enough cash to keep the Tryon Bank & Trust Co., in the million dollar class. Ad in today's Bulletin lists the assets of the bank at \$1,020,367.56. President Julian B. Hester, is naturally proud of this record and as chairman of the County War Bond campaign he is also proud of the patriotic spirit of Polk County citizens who went over their quota \$18,400 by purchasing over \$1,000 worth of war bonds during September. The October quota has not been announced from Washington.
