## EUGENE A. TURNER LEAVES FOR CHINA

Quite a few Tryon people are cheering in Eugene A. Turner's trek through the 'Gene Turner fund of the International Committee of the Y. M. C. A.; and Georgia Tech, where he was Y. M. C. A. secretary for many years.

Latest word from China indicates that Mr. Turner's duties will be with the work which the Y. M. C. A. in absence of U. S. O., is doing with the Chinese army. He will be in the front, and in one of the important sectors of the United Nations' effort.

Mr. Turner had only a forty-eight hour notice of the long voyage ahead, so there were few good-bys. He left under sealed orders Sunday and was to receive instructions as to port where he changed trains Monday morning. Then at the port will be with another Y. M. C. A. secretary, will put off into the dark and several weeks of silence before friends and family will hear from him.

As baggage allowance was very limited Mr. Turner could take with him necessities only, but at the last moment he was able to crowd in a serious gift for the Generalissimo, and a small feminine remembrance for Mme. Chiang Kai-shek, both of whom are friends of years standing.

## RED CROSS NEWS

In the sewing room of the Red Cross is a table of beautiful house plants that have been donated to be sold for the Red Cross. Come in and look at the plants, then spend the rest of the morning sewing. If you cannot use a machine there is hand work to be done.

An interesting etching, done in 1834, has been presented to the Red Cross by Mrs. J. D. Powers. This also is for sale, the entire proceeds to go to the local Red Cross work room. The etching is by the desk, as you enter the work room.
