Unofficial Polk County Elections Returns show that all Democrats were elected to the various county offices. Welton Green for surveyor had no opposition and Dr. Wm. St. Julien Jervey was elected coroner over J. L. Smith. More people voted for sheriff than for any other office. The total was 3,656, about 100 more votes than were received by the others. It seems as if about 100 people voted for former Sheriff Westbrook and nobody else.

Primitive Art Thursday At Lanier Club

Harry Wallace, a newcomer to Tryon, who has made a study of primitive peoples will speak at the Lanier library Thursday afternoon at 3:30. He will also exhibit interesting articles such as textiles made by primitive peoples. The public is invited.

As more articles are soon to be rationed it is absolutely essential that the files of the Rationing Board have the names of all people of Polk County. Everybody who for one reason or other has not registered for sugar books should do so immediately. Retailers are reminded that they must turn in their Sugar Stamps to their wholesalers on or before Nov. 10.
