RED CROSS NEWS

The American National Red Cross has decided to postpone the Roll Call of November 1942, and to conduct it in connection with the next War Fund Campaign early in 1943. The official name of that campaign will be the "1943 Red Cross War Fund and Roll Call". Barring unforeseen emergencies, the dates of the campaign will be March 1 to 31, 1943. The purpose of the campaign will be to raise all the funds required by the national Organization and by the chapters for substantially one year's activities. However, all announcements of the campaign will include the usual provision that, in the event of major national disasters or other major emergencies, the Red Cross will take such immediate steps to raise funds as may be necessary.

Walter S. Gifford, president of the American Telephone and Telegraph Company, will serve as National chairman of the 1943 Red Cross War Fund.—Contributed.

Mrs. Charles L. McGavern left today for a visit with Lieutenant McGavern at Craig Field, Selma, Ala.

Polk County farmers are not planning on running out of nitrogen in their soils if it can't be bought in a sack. They have already planted over 36,000 pounds of Austrian Winter Peas and are calling for more. Since the Polk County A. C. A. has no more as a grant of aid, this will mean that around 1,400 acres of Polk County land will be covered with a green growing cover crop during this winter and spring.

Sufficient inoculation has been furnished these farmers to inoculate 22,000 pounds of these peas.

Old or new copies of The Tryon Daily Bulletin for sale at 5c each.

THANK YOU

I take great pleasure in expressing to my friends and supporters throughout Polk County my profound appreciation of their loyal support in last Tuesday's election.

Again let me say I thank you!
