4-H ACHIEVEMENT DAY

The Green Creek 4-H club held Achievement Day program Monday at 10:40 a. m., in the auditorium of the Green Creek high school. The entire student body came in to visit with the 4-H club and to join with the club members in celebrating their accomplishments of the past year.

In an effort to encourage conservation of tires and gas as well as time it was decided that the Polk county club members hold their meetings in their local clubs rather than all members coming together for one county meeting. Other 4-H clubs in Polk county that will hold achievement meetings this week are Mill Spring, 10 a. m., Tuesday; Sunny View, 10 a. m., Wednesday; Columbus 10 a. m., Thursday; and Saluda at the same hour Friday.
