

Home Friendly Club

The Home Friendly club room is now open from 10:30 to 11:30 every morning and on Saturdays from 4 to 6 p. m. Look for large flag flying from our window in the A&P building, and then come up and read the letters our boys are sending in. Perhaps you know the home folk of some boy whose card in our file is a blank. He cannot receive the club's Christmas letter unless his camp address is filed in time. Our collection of photographs is growing. Bring in one of your own boy. Check the cards of your friends and neighbors and help reduce the list of "whereabouts unknown."—Contributed.

AN EMPTY SOCKET

Is A Symbol Of Unpreparedness

It might be in your basement, in the attic, in that dark closet, or over those seldom used back stairs. Proper lighting costs little, so why jeopardize your life and limbs because of negligence?

A dark room or staircase is an **ACCIDENT TRAP**. Don't bumble about in the dark!
