Saluda 4-H Club Holds Final Achievement Day Meeting

Friday morning in the auditorium of the Saluda high school the 4-H club held an Achievement Day Program, the final of a series of similar programs that have been held in our county this week. Bruce Salley, president of the Senior club presided over the meeting assisted by W. H. Pace, junior club president.

These meetings have been held throughout the county to recognize outstanding work of 4-H club members and to encourage all boys and girls of Polk county to realize that they have a part to play in winning the war. Nineteen girls and thirteen boys of the Saluda club were awarded certificates for completing satisfactorily the year's work; that is, they attended club meetings, conducted one or more home or farm projects and submitted record of work done.

Gladys Hamrick, home demonstration agent, and J. A. Wilson, county agent, who are in charge of 4-H club work in this county, are of the opinion that the best work ever to be done here by club members has been done this year. Full credit was given to Sam Dobson, former assistant county agent, for his part in the progress of the 4-H club program here.

Mr. Dobson, who left recently, is stationed in New York City where he is in a Midshipman school.

4-H club work is a part of the National system of extension work of the United States Department of Agriculture and is sponsored
