J. H. Gibbs Re-Appointed To Polk Draft Board

Polk County Local Board No. 1, Selective Service System, is pleased to announce that Mr. J. H. Gibbs, who resigned some time ago as board member due to failing health, is now much improved and, at the insistence of many Polk County citizens and the other members of the board, has been re-appointed as a member of the board.

Mr. Gibbs has rendered his country and country unselfish, capable, and loyal service in the past. The fact that he is again willing to serve demonstrates his patriotism and loyalty to his country and the cause of all free men. CURB REPORTER

Weather: Saturday low 57; high 81; Sunday low 53, high 70 . . . Captain Edwin B. Clippard, son of Mr. and Mrs. L. L. Clippard, writing from somewhere in the Pacific to the Home Friendly club says: "My dear Polka-dots, Thank you for having me on your mailing list. I have received my Prayer Book, Chain and letter of blessing and good-will. They brought with them a whiff of my father's oft-referred-to 'Saluda Ozone'; so that I immediately dug out my few snapshots of Carolina hill country to enjoy again. And it's awfully good news to know that things are ship-shape back there and that you, too, realize that we're in a war. I'm quite sure that every Tojo-chaser in the Pacific would like to have received such a letter from his own country! Yours till the ZEROS are 0. Edwin B. Clippard." . . . The war news continues to look better for the Allies with the Germans on the run in Russia and Africa and the Japs losing by degrees in the Pacific . . . Three airmen died Saturday night when a bomber crashed on the Hendricks farm near Greenville, S. C. . . . Letters from Frank Wall with the Marines on Gaudalcanal Island says he is getting along fine. He has gained 15 pounds, weighs 190 now. The chaplain lent him a radio and he has been enjoying the sports and news. Almost like being at home again . . .
