LATEST WAR MEASURES

Kerosene Rations: It will not be necessary for North Carolinians to receive kerosene rations last month to make another trip to their local rationing boards. The boards will duplicate these rations, allowing the same amount of kerosene for the period January 1 - March 31. The boards will mail kerosene users ration coupons for the first three months of 1943 soon.

Less Camera Film: North Carolina's thousands of snapshot fans and amateur motion picture makers will get less film from now on. The WPB has ordered the production of film—for both snapshot fans and moving picture amateurs—cut 50 per cent below the 1941 output. At the same time, professional film production is cut 24 per cent.

Ration Book No. 1: The deadline for application for War Ration Book No. 1 has been extended to January 15, 1943. In order to get War Ration Book No. 2 when it is issued early in 1943, applicants must have Book No. 1. The book is now used for the rationing of sugar and coffee. Local rationing boards will issue Book No. 1 until January 15.
