

LET'S GO CITIZENS!

There will be a feeling of shame in this community if we find ourselves short of the mark when the Fifth War Loan comes to an end July 8. We will not permit that to happen here, especially if we look around in our homes and our places of employment and see the shadows of relatives and friends who today are in the midst of bloody battle for us.

We cannot emphasize too strongly that regardless of the size of the oversubscription of our community quota, the Fifth War Loan will be a flat failure for you if you do not exceed anything you have done in the past in War Bond buying. In this invasion hour our fighting men have a right to demand that you make your record contribution to the success of a war loan.
