## CURB REPORTER

Cpl. Robert Michael writes from India that he has received copies of the Bulletin and that the men in his outfit saw the Tryon pictures in Life Magazine . . . In the Home Friendly club article in Friday's Bulletin, one number listed as 17 should have been 79. . . . Col. F. M. Albrecht has arrived in France and reports that a large number of WACS there have improved camp cooking . . . Since St. Luke's hospital was formed in 1929 it has rendered 57,205 days of care to patients, and more than 23,333 of these were free days—40.8 per cent of the total . . . A news item in May 18th Bulletin said, "Pfc. Burley T. Johnson has arrived in England. Says he likes the country and the people." It reached England June 22. And last week we got a letter in Tryon from Mr. and Mrs. Reeph who wrote, "Sir, in reply to your issue of May 18th, 1944, I would like to say the people also like Cpl. Burley T. Johnson! From his Host and Hostess" . . . For the benefit of doubters we have been sleeping under blankets the latter part of July. It gets over 90 in the day time but the cool nights are wonderful. The high for Friday was 93, low 65; Saturday high 92, low 63, rain .11; Sunday high 92, low 58 . . . The Town of Tryon will begin work this week on its rock quarry on the Hogback

## COUNTY-WIDE MEETING ON WEDNESDAY

There will be a county-wide beef cattle meeting for all people who are interested in developing better herds of beef cattle in this county on Wednesday, August 2, at 3:30 p. m., on the farm of Frank Jackson, two miles north of Mill Spring. Farmer Gray of WSPA Farm Service Director, will attend the meeting and make recordings to be used in his agricultural broadcast.

The purpose of the meeting is to exchange ideas concerning experiences of the dozen or more beef cattle growers in the county. We are expecting every beef cattle grower to contribute something worthwhile to the meeting. Special emphasis will be placed on experiences of the beef cattle men in growing pasture, growing silage, feeding beef cattle and other management problems.

L. I. Case, extension beef cattle specialist from State College has
