

## ASKS UNIFORM OPENING

Raleigh, N. C., Aug. 9.—In view of the polio epidemic Governor Broughton yesterday asked the state board of education to adopt a uniform delayed opening date for the state's public schools.

Dr. Carl V. Reynolds, state health officer, and the state health board have recommended that the school openings be delayed until September 18th, or later, if the epidemic has not subsided by then.

At its regular meeting last week the state board of education left the matter up to local school and health authorities. A special meeting of the board will be necessary to act on the governor's request.

Mrs. A. Helminger, formerly of Cooper's Gap, is quite ill at her home in Morganton, 707 West Union Street.

Buy only what you really need. Pay no more than ceiling prices. Save for the future by purchasing War Bonds.

WANTED: Good cook, man or woman. Health certificate required. Phone 425.—Adv. c
