

GOOD SERVICE
Day and Night
In Season and Out
IS OUR FIRST
CONCERN

With so many of our men in the Armed Forces and with grave shortages of vital war materials it's a problem to keep every department of our service at its best.

You can help insure better service when you really need it by calling on our service men only when it is absolutely necessary.

Why not learn how to replace fuses yourself? Be sure to keep a few spares on hand!

Take DOUBLY good care of all your Appliances!

Always grasp the plug when disconnecting an appliances and keep the kinks out of your cords.

BUY WAR BONDS AND HOLD ON TO THEM !!
