A CENTURY. MISSILDINE'S PHARMACY. PHONE NO. 4**

Home Friendly Club

A few went to the Garden Party last Friday. So we are saying again that it is this Friday the 13th—4 to 6.

Mrs. Calhoun is for the fourth year giving her garden, home and unflagging interest. Many of you will be making delicious food and paying 35c to eat it. And all of you are warming the hearts of Polk County service men and women all over the world by your devotion.

Last year there were 250 present, and we cleared \$170. This amount has helped in the following ways: This past year 9 letters have been sent to our whole group, and that is now nearly a thousand men and women, it means that our most simple letter costs over \$33. The Easter one, most recently sent, was about \$45, the Christmas letter slightly more.

In addition to the group letters there are each week among the many letters received, a few need-

ing answers—thanks for the photographs and gifts or replies to their requests for addresses. And there is frequent communication with their families in regard to changes of address.

Meanwhile the need for our parting gifts as they leave for induction still continues. Three Negro boys go next month, 20 white boys on the 27th. Each of these will go away wearing around his neck the cross and cord just given to him, and carrying in his pocket a personally inscribed small book of prayers, and a letter emphasizing the devotion and Godspeed of his community.
