COMMUNICATIONS

All patrons and friends of the Tryon school who live in TRYON TOWNSHIP should register Saturday, April 14 or April 21 in order to be able to vote May 8th.

The proposition is: whether or not we shall have the special tax, not to exceed 25c on the \$100 valuation. This will NOT raise anyones taxes for we have been paying this tax for the past several years, but because the Legislature dissolved the Tryon-Saluda City Administrative District and created the Tryon City Administrative District, it is necessary to go through the form of re-voting the tax.

If we do not have this special fund we will not be able to have Home Economics nor keep our good teachers, nor have some of the other good things that make our school what it is.

Please do everything you can to get people to vote on this proposition.

Mae Irene Flentye, Treas.
