—RED CROSS NEEDS WORKERS—

**TO THE VOTERS OF TOWN OF TRYON:**

In the election to be held May 8th, 1945, as a candidate for commissioner of the Town of Tryon, I have no political axe to grind; no political debts to pay; no old political scores to settle; no selfish favors to grant any group; no promises to keep. All I have to offer is my services to the extent of my ability to the citizens and tax payers of the Town. I am a mere country boy who has made a living in the grocery business for the past 12 years and will try to do as well for the Town as I have done for myself. Your vote will be greatly appreciated.

**JOHN W. COWAN.**
