NOTICE TO ALL DOG OWNERS

Owners of dogs are required to keep their dogs up and to prevent them from running loose either on the streets, on the premises of owners, or elsewhere for a period of fifteen days beginning August 23, 1945, and ending September 6, 1945.

KEEPING DOGS UP IS IMPERATIVE!

All dogs must be inoculated against rabies during said period unless the dog has been inoculated within one year.

The purpose of this ordinance is to prevent the spread of rabies and to protect the public. The ordinance will be strictly enforced and owners of dogs are asked to cooperate.
