TRYON, N. C., TUESDAY, SEPT. 18TH, 1945

## CURB REPORTER

Weather Monday: High 63, low 59, rain 2.13. . . . Nice to see the sunshine again after several days of rain, but we are lucky compared to neighboring sections. Being right at the foot of the mountains the streams are not long or large and the water runs off quickly. Farther south and east, even as close as Forest City, highway traffic was suspended in places, and No. 74 from Charlotte to Wilmington was blocked. The passenger train No. 27 from Charleston to Tryon due here a little after 4 p. m., didn't arrive until this morning between 5 and 6 o'clock. It was held up by high water south of Columbia, S. C. . . . General MacArthur says all drafted in Pacific area can go home in six months as the regular army is all he will need to guard Japan when he gets through revamping the country. . . . Tropical storm that hit Florida fades out in the Carolinas leaving 50 million dollars in property damage and killing four persons. . . . Now a cold, icy wind from the north east is headed south. So look for colder weather, but clear and pretty. . . . Spartanburg reports rainfall of 8.12 inches during the past few days. . . . Formal opening exercises for the 56th session of Converse College were held Monday night in the school's auditorium. The principal address was

## FARMERS FEDERATION TO REBUILD PLANT HERE

President James G. K. McClure and General Manager Guy Sales of Asheville were in Tryon Monday making plans for the rebuilding of the Polk County Warehouse of the Farmers Federation which was destroyed by fire early Sunday morning. The freezer locker plant which was nearing completion was also destroyed.

President McClure was high in his praise of the Tryon Volunteer Fire Department, which responded so wonderfully at 5 o'clock in the morning. The cause of the fire is still undetermined. The damage to stock, building and freezer locker equipment and otherwise has been estimated at from \$35,000 to \$50,000. Most of the loss is covered by insurance.

General Manager Sales stated Monday that contractors expected to have the new building erected within 60 to 90 days.

A meeting of the Polk County Committee of the Federation will be held this afternoon at 2 o'clock to discuss plans for the future. The work of rebuilding the freezer locker plant will also go forward just as soon as materials and equipment can be brought in.

## First P.-T. A. Meeting To Be Held Thursday

The first meeting of the 1945-46 term of the Tryon Parent-Teachers Association will be held Thursday afternoon at 3:30 at the school auditorium with the new president, Mrs. C. A. Martin, presiding. The guest speaker will be Dr. George Farrand Taylor of
