## CURB REPORTER

Weather Wednesday: high 76, low 47 . . . John L. Lewis orders more than 200 thousand coal miners back to work . In the meantime the young people of this section had better start gathering wood and storing it up for the cold days ahead. There are enough fallen trees and broken limbs to provide heat for many homes. We in Polk County know nothing of severe hardships as compared to people in big cities and in the treeless frozen parts of the nation. . . A business man looking at the mountains surrounding Tryon Wednesday morning said it was worth living here just to be able to get the view from his home to his office every morning . . .

Advertisements in the Bulletin are read almost as eagerly as the news items. People out of town who read the Bulletin often ask if so and so ever found this and that. They are interested in the outcome of these actions. Mrs. Martha Boone found her dog with one Ad in the Bulletin. Robert Franks of Philadelphia had a piano in Tryon to sell. A reader in New York City read the Ad, and wants to buy the piano for his home in Florida. You never know how far reaching an Ad is in the Bulletin . . . Lieut. Harry Rose, among the first Americans to enter Rome, Italy during the recent war, is in America on leave, and is visiting his father, Golf Pro Tom Rose at Oak Hall, before returning to his home in Atlanta. . .

"The Fleet Came to Stay" is the name of a special short picture to be shown at Tryon Theater Friday.

## Football Here Friday

Tryon High School gridders will meet a tough football team from Swannanoa at Harmon Field Friday at 3:30. Swannanoa is undefeated in four games this year, but Tryon plans to upset them. Tryon team is smallest in history of school but showing improvement every day. In the game with WLT Friday Robert Barber and Bobby Bishop were sorely missed. They were injured in the Union game two weeks ago and are still on the injured list. The Tryon team showed plenty of power in WLT game but fumbles and severe penalties when in scoring position played a big part in the 12 to 0 defeat.

The line up for Friday's game will be Fred Farley, c; Bridgeman rg; L. Rhodes, rt; B. Rhodes, re; Derby, lg; Eargle lt; Bishop or Ellison le; Foster qb; Edney, Captain, lh; Barber or Capps, rh; and Lewellyn, fb.

These boys are all hard fighters and they promise a good clean game to the local citizens who turn out to give the team moral support.

## At Rotary Friday

Dr. Fred Owen will be in charge of the program, 1 p.m., Oak Hall.

Tryon Theater advertised stage show for last Friday, but when the actors arrived they did not measure up to the standards advertised, and Manager R. E. Brantley refused to allow them to put on the show. That's one point to the credit side of Tryon's Theater.
