

The UNITED COUNCIL OF TRYON CHURCHES is sponsoring the following:

1. A clothing drive for war victims; 2. A moving picture show for their benefit; 3. Study classes for better understanding of our relationship with Russia and other countries. These classes are to be held after Christmas. Watch the Bulletin for notices.

CLOTHING DRIVE

Without our immediate help, millions will die. The causes are elemental. Hunger and cold. We must mobilize now to meet and combat this situation. Bring every blanket, quilt, pillowcase, towel or garment you can spare to Mr. Wilson at Jackson's store. Children's stockings and underwear are desperately needed. Packets of seeds are also being sent and even sealed cans of fats. These will be sent to warehouse of United Church Service Centre at New Windsor, Md., and shipped promptly to European countries.—Nov. 21, 23.
