

COMMUNICATIONS

The school and especially the basketball players wish to thank those who have contributed so generously to the fund for the purchase of basketball equipment for the Tryon High School team. To date we have received \$104. With this money we have secured 10 basketball uniforms, two basketballs, 5 warm-up suits, 5 pair basketball shoes.

We wish to express our thanks to Mrs. M. B. Flynn, who has helped with securing these donations and who has publicized the need for this equipment.

We are indeed grateful to Seth Vining, Jr., who has used his leave of absence from the service to prepare not only the varsity basketball team, but a junior team as well for the coming season. Seth is a former graduate of the Tryon High School where he was not only a fine athlete but an excellent student.
