CURB REPORTER

A large number of people seemed satisfied with President Truman's radio speech. It ended the coal strike. He has asked the Congress to pass anti-strike legislation. Truman now calls on John L. Lewis to discuss the coal strike. . . . Charlotte Observer had only 8 pages today on account of paper shortage. . . . Letter from Congressman A. L. Bulwinkle states that James M. Baker, Jr., had passed his mental examination for admission to the U. S. Naval Academy at Annapolis. He will take his physical examination on June 13. Jim is a champion golfer, and star basketball and football player, and has served on the staff of Camp Mondamin for a number of years. His friends feel sure he will have no difficulty passing his physical examination. . . . Carroll P. Rogers will be in charge of the Tryon Kiwanis Club program Tuesday at 1 p. m. at Oak Hall. . . . Tryon Bank & Trust Co., will be closed Thursday, May 30, for Memorial Day. . . . A carnival has arrived in Tryon from Brevard. The Florida Amusement Co., with its tents, shows, rides, and concessions to entertain hundreds on the vacant lot near the Ice Plant. There has been some objection to the families of the show people coming in their trailers and parking right in Tryon where there are no sewerage facilities to accommodate them. In Florida and other places where they have trailer camps the municipal authorities provide water, light and sewerage connections for a small sum. This is a new problem for Tryon. W. N. C. DEER HUNTING TO BE SUSPENDED

Deer hunting in all W. N. C. counties will be suspended for an indefinite period of years while the Division of Game and Inland Fisheries carries out a program of trapping and redistributing deer as directed by the Board of Conservation and Development at a recent meeting of the Board held at Fayetteville May 13-15.

According to Charles West, special deputy fish and game protector, who received the foregoing advices from Commissioner John D. Findlay, this program can result in Polk County receiving a quota of deer for the establishment of a local deer herd.

The full report of every sportsman and conservationist to this program is solicited and urged by Commissioner Findlay, who states that, upon this cooperation, the success of the program depends to great extent.
