### The Electric Shop Appointed Bonded Electronic Technicians

"Raytheon Bonded Electronic Technicians" is the new certificate of merit just awarded to The Electric Shop at Tryon. "And it means just what it says," John S. Blackwell, manager, explained, "because it is based on rigid national standards and only completely qualified radio service dealers receive the 'Raytheon Bonded Electronic Technicians' certificate."

The award means that The Electric Shop is now bonded by the well-known Western National Indemnity Company, to guarantee complete satisfaction on all radio repair parts and service for 90 days, to charge fair prices on parts and labor and to use only recognized quality parts. The bond also covers testing tubes accurately and using modern equipment essential to prompt, efficient service.

People of Tryon will be glad to learn there is now a way of knowing they will get radio repairs on a bonded guarantee basis.

Dr. and Mrs. J. E. Derby and daughters, Misses Jean and Janet will leave Wednesday for their vacation at Norwalk, O. They will be joined by Miss Cladia Helms of Morganton. Miss Gertrude Schoff and Miss Mariel Derby will go to Cadillac, Mich., for a visit with Miss Schoff's relatives. From there Miss Mariel Derby will go to Covert, Michigan, to visit Miss Cynthia Brand. Joe Derby will remain at Camp Bar-H, near Hendersonville, where he is a counselor.

A temporary grazing crop, seeded within the month, can provide about the cheapest feed produced.
