SPACE FOR SALE

Newsprint is still scarce and many newspapers have had to reduce their advertising space, but due to its size The Bulletin is expected to continue its usual service. Another ton of paper has been ordered and we have been promised part of the shipment within the next few weeks.

It takes a lot of Bulletins to make a ton; and we use three tons each year. The small space you will need to get your message to the thousands of readers of The Bulletin will not hurt anyone; and it will save you lots of time and trouble.
