

Major and Mrs. D. C. Todd are attending the national association of fair managers being held in Chicago this week.

Mr. and Mrs. Julius Gilbert White, operating the Health and Character Education Institute, a mail order business handling publications and visual materials, have transferred their home and office from Asheville to the Viner place, Louisiana Avenue, Saluda, at Hillside Street, which they recently purchased from Mr. and Mrs. C. W. Mason. Carpenters, plumbers and electricians have been at work for some time preparing the place, and the business is now being operated from this location.

"SAFFORD'S": "The Household word for Cleaning." Use Safford's DX-1 for cleaner, whiter clothes. No rubbing. More suds. For washing machine use Safford's DX-3—perfect for any type washer. Floors, walls, bath tubs, sinks use Safford's DX-4—gets that leftover dirt—Adv. tus, thurs tf.

LAST TIME

Friday will be the last time this season for Quality Rug Cleaners to make a trip to Tryon. We wish to thank you for the nice business you have given us and want to assure you of our best efforts always to give you the best service.

Call 99 if you want us to get your rug cleaned for the Christmas Holidays.
