## Uncle Sam Says

Yes, Virginia, there is a Santa Claus but his bag of gifts this year is as up to the minute as a jet plane. Santa is nobody's fool. He knows Virginia's little heart will beat faster when she sees her new doll. Santa also knows Virginia's Christmas tree will be a wisely dressed tree, because it will have tucked onto its branches crisp new United States Savings Bonds. Long after Virginia's dolly has hobbled down the sentimental road of yesterday, Virginia's Savings Bonds will be with her to make her future Christmases brighter and happier.
