DANCE AT CANTEEN

The Teen Age will celebrate New Year's by having a big New Year's dance at the canteen for every teen age boy and girl that wants to come and who doesn't mind to pay a little door fee of 25c per person. Also there will be favors, hats, horns, etc., sold at the cake bar; and a short but entertaining floor show is being prepared.

The dance will begin at 9 o'clock and last until 1 a. m. One may come formal or otherwise but the committee says that it would be better informal because of the crowd that is expected.

This is the chance everyone has been waiting for, and Billy Dick says plan to be there and join in all the fun.—Contributed.
