

MEMORIAL GIFTS FOR ST. LUKE'S HOSPITAL

A Memorial Fund, called "The St. Luke's Hospital Memorial Fund," for the purchase of permanent additions and improvements to the equipment of the hospital, has recently been established. In so doing, the directors believe that they are giving formal recognition to a spontaneous feeling in the community.

It is natural and appropriate to express sympathy by sending flowers to a funeral or to perpetuate a memory by erecting a memorial of marble or granite, but during the past several years an increasing number of people have felt that they wished to accomplish these things by giving something which would be of lasting benefit to the community. Among those who have been thus remembered are: Mrs. George Canfield, F. W. Crandall, Dr. Raymond Dodge, Mrs. Charles G. Sewall, Fred Swann, J. B. Stokeley, John Washburn and Geo. E. Williams. Their influence lives today through the continued usefulness of loan beds, oxygen apparatus, an electro-cardiograph, crutches, splints and the like, because of gifts made to the hospital in their memory.

When a gift is received by the Memorial Fund, the name of the one in whose memory it is given will be published but, unless it is especially requested, neither the donor's name nor the amount will be made public. However, a record of them will be kept in a Memorial Book at the hospital and receipt of gift will be appropriately acknowledged, both to the donor and to the near relatives of the one in whose memory it is given.

Gifts both large and small will be welcomed and, through the St. Luke's Hospital Memorial Fund, each dollar will help to comfort and to cure.—Contributed.

FOR SALE: Pedigreed Cocker puppies, 4 months old. Paper trained—black and white parti-colored. Bold and robust. Can be seen at Oak Hall Cottage No. 3. Phone 165.—Adv. 6, 7, 8, 9, 10.
