The home demonstration club held the first meeting of the year on Monday evening with Mrs. C. E. Blanton, Miss Hamrick and Miss Cline in charge of the program, which was on "Family Financial Planning" in which some unusual information was brought to the women, information which should lead to better management of the family income, and which should wake the club members to the knowledge that everyone should make a will, whether the possessions be large or small. At the close of the meeting Mrs. Blanton served delicious refreshments, and the social hour was a highlight of the evening.
