TRYON, N. C., WEDNESDAY, JULY 9, 1947

Weather Tuesday: High 81, low 64, humidity 72. . . . Coal strike settled. Miners to get more pay. Public to pay the bill as usual. And the miners are part of the public. One of the greatest blessings for the working man is the 40-hour week law. It gives him more time to do things for himself and not have to pay the higher prices for some things. Railroads ordered to lower rates on manufactured goods in the South and raise them in the North. . . . Joe McNamee of the State Utilities Commission, Raleigh, was in Tryon Tuesday consulting with local people regarding the telephone situation. The telephone company asks for an increase in rates and a group of local people have asked for an improvement in service if the rate increase is granted. . . . House of Representatives voted to reduce incomes taxes by four billion dollars, effective January 1. Congressman Bulwinkle voted in favor of the reduction. The vote was 302 to 112. . . . The Lake Summit Playhouse is drawing a large number of Tryon people each night. "Love From A Stranger," is being presented this week. . . . The Ladies Golf Tourna-

County Commissioners Name Veterans Service Officer

Woodrow Wilkins has been named County Service Officer to assist the veterans of Polk County with any of their problems, according to an announcement by Chairman R. E. Brantley of the Polk County Board of Commissioners. The County service officers have been installed in most counties of the nation where there are enough veterans to warrant the service. The Polk County Commissioners made the appointment Monday. Officer Wilkins will maintain an office in the court house and he will have other duties which will be announced later.

COUNTY TAX RATE SET

At the meeting of the Polk County Commissioners on Monday the budget for the coming year was approved and the county-wide tax rate set at \$2.10, the same as last year. Chairman R. E. Brantley stated that the Commissioners had hoped to reduce the rate this year but were unable to do so on account of additional expenses.

An agricultural building is being built at Green Creek school, the only high school in the county to meet the qualifications required by the federal government, which is offering training to about 50 veterans.

The special tax rate for Tryon School District is 35c which added to the \$2.10 makes a total of \$2.45.

Chairman Brantley says work is going forward on the tax notices and that they hope to have them in the mails the latter part of July or first part of August.
