

## SALUDA NEWS NOTES

*Reported by Miss R. E. Blair*

The news of the death of Dr. Lesesne Smith, though not entirely unforeseen, came as a shock to Saluda. Dr. Smith has had a prominent part in Saluda's summers for many years and he will be greatly missed; not only at his Infant's and Children's Sanitarium, and in his work with the Spartanburg Baby Hospital, but by many mothers who came with their children to Saluda in the summer, confident that in him they had a competent and interested physician in cases of sickness.

We understand that, in accordance with Dr. Smith's wishes, the funeral, which has been of so much benefit to visiting doctors and townfolk in the summer will be carried on as usual.

Dr. Smith leaves his widow, three sons and one daughter. Funeral services were held in Spartanburg, Dr. Smith's home town, on Tuesday.

## DO IT THE DAY BEFORE PAPER PRINTED

Whenever possible all notices of any kind to go in the Bulletin should be sent to the newspaper office the day before in order to be sure that they will be published. Early the next morning is often too late, because half of the paper has already been printed and not enough pages left for copy already in the office.
