TRYON, N. C., MONDAY, SEPT. 22ND, 1947

Weather Friday: High 82, low 68, rain .45, humidity 67; Saturday high 87, low 62, humidity 46; Sunday high 85, low 63, humidity 52. . . . Former Mayor LaGuardia, 64, of New York, died Friday of cancer. A colorful figure in American politics; son of an immigrant Italian; was elected mayor three times; friend of common man . . . Estimated 70 people killed in hurricane in Louisiana, Mississippi area. Another storm on the way 300 miles south of Florida . . . Philip Dusenbury reports his property O. K. at Miami . . . Each person in the United States owes \$2,050 on public debt. Our total indebtedness is over 383 billion dollars. May be our great-grandchildren will be able to pay this off. American farmers were paid 24 billion dollars for their crops last year. A better year ahead is expected . . . Dr. Bob Jones says, "Your personal liberty is limited to the safety and welfare of those around you." . . . They say the road to hell is paved with good intentions; but the road to the Tryon cemetery is paved with nothing and travelers along its way suffer at various times dust that clouds the air or mud that tugs at
