TRYON Vs. MARS HILL

The Tryon footballers will meet Mars Hill High at Harmon Field Friday afternoon at 3 p. m.

This will be the Tigers 10th game and they will be gunning for a win to end the season undefeated. The Tigers will face the Mars Hill team for the second time this season. In the first game this season the Tigers barely defeated them 7 to 0, and the Hillers will be set for a victory. After a bruising game with Hendersonville on Wednesday night, the Tigers are taking a day off from school for a rest which they will deserve, and the school is commended for this action. Not much is known of the Mars Hill team except what is learned in the game played with them early in the season, but Coach Prince and his boys are not being too optimistic for the encounter. Mars Hill showed plenty of power and were a threat during the entire contest.

This game is expected to draw a large crowd as it will probably be the last home game of the season.—Curt Eargle.
