MERRIMONT**

Merrimont Lodge is located on a bluff overlooking Pacolet River and at the magnificent mountains of Tryon. The inspiring beauty of the surroundings is unsurpassed. There are acres and acres of woodland and marked trails for youngsters to ride horseback, and hike; and explore; to romp and play and express their childish glee to the heart's content . . . Woodchests, arts, nature study, and music keep active little minds busy creating. . . . Winter evenings before the open fire popping corn and telling stories, studying school lessons, and reading . . . Picnics in the summertime by the river. Fishing, scouting, laughter, love and companionship. The feeling of security; the joy of belonging to a large family . . . All of these are a part of Merrimont—the home away from home for children.—Advertisement.
