Luncheon to Honor Speaker Coming To Tryon Thursday

Dr. Ellen Winston, who will address the Lanier Club Thursday afternoon at 3:30 will be the guest of honor Thursday noon at luncheon at Oak Hall. A group of county officials and civic leaders who know of Dr. Winston's importance in the state, are taking the opportunity to confer with her before her address at the Lanier Club. The public is invited to hear Dr. Winston at the Lanier library.

Dr. Winston is a native of North Carolina, a graduate of Converse College, and a leader in solving human problems. The local committee of the Lanier Club has worked several months to get her for Tryon, and when it became known that she accepted she was besieged with petitions to speak at numerous places in the section.
