

RED STARS TO PLAY CHIMNEY ROCK TONIGHT

The Tryon Red Stars will go to Chomney Rock tonight for a Thermal Belt League basketball game at 8 p. m.

Clyde Tharpe, manager of the Red Stars, stated that the team would leave Missildine's at 7 p. m., for the tilt with the Chimney Rock team.

Tharpe further stated that the Co-operative team from South Carolina would invade the Red Stars' territory Saturday night. This engagement to be a double-header affair, with the girls starting the "fight" at 7 p. m., with the boys to follow at 8 p. m., in the "melee".

Once in a while a newcomer looks at the Curb Reporter's desk and wonders how we ever find anything. Paul J. Ramsey was in Miami, Fla., recently and saw on display a beautiful desk, Coronet, "crowning achievement in desks" according to the attractive folder he brought back. The outfit including three chairs costs about \$7,000. The desk includes radio, electric intercommunication unit, electronic dictating equipment, electric razor, electric refrigerator for ice cubes and drinks, bar equipped with 12 glasses, burglar-proof cast steel chest, cigarette lighter, twin Parker "51" pens, electric clock, etc. The chairs are made at Siler City, N. C., the desk at Grand Rapids, Mich. The Tenth Commandment says don't covet.

Reading the news of the celebration of the 5,000 year old pageant, Mardi Gras, in New Orleans, reminds us that Tryon's Wm. S. Turner and Charles L. McGavern families are living there and no doubt have been taking in the festivities which ended Shrove Tuesday, a day of fun before the lenten austerity.
