

## COLUMBUS NEWS

The Look Out Club met Thursday evening in the Stearns lunch room. A delicious and satisfying supper was served by the members of the Woodmen Circle, Alhea Grove No. 224 to nearly 100 guests at \$1 each. The proceeds are to go on the building of a W. O. W. hall which is also to be used for a community building. A business meeting followed the supper and a number of questions and suggestions were discussed, among them the organization of a fire department, with J. A. Wilson as chairman, Grav Fagan, Donald Spurlin, Harold Griffith and E. H. Gibbs. O. C. Feagan was appointed as chairman of a committee to consult the county commissioners and town authorities and secure their co-operation for this project. Another important decision was to make an effort to clean up and beautify the town and the surrounding country. For this a committee consisting of Mayor Claude Robbins, chairman, Hugh Tessener, Donald Spurlin, Mrs. Blanche Blanton, Mrs. Virginia Rzeppa and Mrs. Frank Edwards was selected. The week of Nov. 15 to 20 has been designated as "Clean-Up Week." All committees are expected to have an excellent report at the next meeting Thursday evening, November 18th.
