

Christmas Presents Exhibited

Fifty Christmas presents to be given to the Ward Party for Veterans at Oteen Hospital will be on exhibit at the Blue Ridge Weavers Tuesday and Wednesday of this week. The gifts will be presented by the Polk County Red Cross Volunteer Services committee. Mrs. Walter C. Hill, chairman, is eager for everyone who has had a part in contributing to this gift fund to see the exhibit. She feels that the donors and all others in sympathy with any move to give Christmas cheer to the veterans in the hospitals, can have greater joy in their giving when they can see the gifts that are to be presented.

The choir of the First Baptist church presented their Christmas musical program on Sunday evening to a full house. A feature of the program was a solo number by Melvin Hipps. Mrs. H. B. Frankenfield, Jr., is choir director and organist. Mrs. Elbert H. Arledge is the choir president.
